

## 2025 Full Time - Skills First Subsidised Fee Schedule

The fees detailed below are for **Government Funded Placements** under the Skills First Program. Students who are **not** eligible for Government Funding are subject to Fee For Service rates. **If you have any questions regarding your eligibility for funding, please contact Oxygen College on 1300 195 303.**

**Payment Plan:** Payment plans available upon request via Ezy pay. If accounts cannot be settled at the time of enrolment a payment plan must be implemented. Payment plans will incur a \$2.00 set up fee along with a \$2.00 charge per direct debit transaction or 2% of the installment amount per transition.

**Administration Fee:** This is paid upfront. Concession does not apply to this amount.

**Out of Pocket Tuition Fees<sup>1</sup>** - These are tuition fees paid by the student either upfront or over the duration of the course. They are subject to Skill First funding eligibility.

**Victorian Government Tuition Contribution:** The amount the Government contributes for Skills First eligible students. See: [www.skills.vic.gov.au/s/how-to-check-your-eligibility](http://www.skills.vic.gov.au/s/how-to-check-your-eligibility)

**VET Student Loan - Tuition Fee<sup>2</sup>** - This is the amount students can defer to a VET Student Loan (Pending Oxygen VSL contract re-approval). A VSL is a loan issued by the Australian Commonwealth Government to make higher education more accessible by removing the financial barrier of paying upfront tuition fees. For more info visit: [www.studyassist.gov.au](http://www.studyassist.gov.au)

**Total Tuition Loading:** This is comprised of out of pocket fees, Vic Government contribution, and VET Student Loan fees (for applicable courses). Will vary depending on concession status.

**Note:** The student tuition fees as published are subject to change given individual circumstances at enrolment.
